of Correction

Dear Sir:

REQUEST FOR CERTIFICATE OF CORRECTION
UNDER 37 C.F.R. § 1.323

Sir:

Applicant respectfully requests a Certificate of Correction for the omission of formal drawings identified in the attached Certificate of Correction in the printing of U.S. Patent Number 6,935,229 B2, issued August 30, 2005. Formal drawings were submitted to the Patent Office on May 7, 2007 upon payment of the issue fee. The receipt of this submission by the Patent Office was acknowledged as indicated by the attached copy of the date stamped return receipt postcard. It is believed that the formal drawings in the attached Certificate of Correction are substantially clearer

and more legible and serve to render the patented subject matter more readily accessible to the reader and to prevent potential misinterpretation that might be caused by the limited legibility of the informal drawings that were printed. Correction of this omission would neither constitute new matter nor require reexamination.

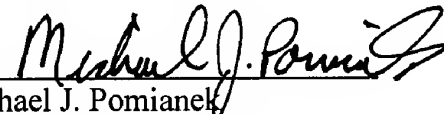

The error is believed to be on the part of the Patent Office; accordingly no fee is required.

Transmitted herewith is a proposed Certificate of Correction effecting such amendment. Patentee respectfully solicits the granting of the requested Certificate of Correction.

Applicant believes no fee is due with this request. However, if a fee is due, please charge our Deposit Account No. 23/2825, under Order No. M0459.70018US00 from which the undersigned is authorized to draw.

Dated: October 3, 2007

Respectfully submitted,

By
